Gentlemen

Am enclosing one fifty cent
coin, having been advised by our
local Post Master that you could
tell me the value, if any - in excess
of its face value.

Do you have a coin list
for distribution?

Thanking you in advance for
the information, I am.

Very Respectfully Yours

Dear Sir:

Replying to your favour of May 9th,
the half dollar which you forwarded here has
no value above face. Dealers sell these for
55¢ or 60¢. I am returning your coin, herewith.

Very truly yours,
